The Church activities are sharing the gospel in culturally sensitive ways, personal witnessing, and discipleship. The church focuses on church planting and nurturing new believers, especially in unreached villages and urban mission fields. In this month, we did outreach evangelism to the street people. We provide them food and shared the Gospel to them one by ones. And also, we invited 17 Buddhist women to the church shared the Gospel. Pastor Tun did one day youth seminar for the young people in the church. He also wrote and print out a new Gospel tract in Burmese.
